02 YEAR WARRANTY*

INTRODUCTION & WARRANTY

Thank you for selecting and buying V-TAC product. V-TAC will serve you the best. Please read these instructions carefully before starting the installation and keep this manual handy for future reference. If you have any another query, please contact our dealer or local vendor from whom you have purchased the product. They are trained and ready to serve you at the best. The warranty is valid for 2 years from the date of purchase. The warranty does not apply to damage caused by incorrect installation or abnormal wear and tear. The company gives no warranty against damage to any surface due to incorrect removal and installation of the product. The products are suitable for 10-12 Hours Daily operation. Usage of product for 24 Hours a day would void the warranty. This product is warranted for manufacturing defects only.

WARNING

1. Please make sure to turn off the power before starting the installation.
2. Installation must be performed by a qualified electrician.
3. If the external flexible cable or cord of this luminaire is damaged it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
4. For Indoor use only

This marking indicates that this product should not be disposed of with other household wastes.

Caution, risk of electric shock.

Replaceable control gear by a professional

Replaceable (LED only) light source by a professional

INSTALLATION INSTRUCTIONS

(1) Push the silicone strip into the metal casing. Tighten the screws when the metal plug is fully inserted into the metal tube.

(2) Install metal bracket onto the ceiling with help of screws.

(3) Connect LED driver to the main power supply. Brown Wire (L). Blue Wire (N).

(4) Install canopy onto the bracket

NOTE

The height of the luminaire is adjusted by the tensile head.
